**** GIVING BACK TO THE COMMUNITY ****

Through the ongoing efforts and generosity of many, several local charitable organizations have received funding that totals \$185,000 since the tournament began 8 years ago. Net proceeds of \$33,000 generated last year were distributed amongst 28 organizations at an awards presentation that took place on September 28, 2019.

Funds are generated from sponsorships, golf tournament participation, as well as through the purchase of tee sponsor signs and donations of various gift certificates or auction items. We are hopeful that you will consider a donation to this year's event.

Please visit the "Community" web page @ www.montaupcc.com for additional information about Montaup's annual give-back event and for a complete list of last year's worthy and very grateful recipients.

Thank you for your past and ongoing support!
